Massage Crème	Description
026333	1/2 Gallon
026339	One Gallon
Massage Gel	Description
026330	One Gallon
026332	1/2 Gallon
026334	8 oz. with Pump
Massage Lotion	Description
026348	One Gallon
026349	1/2 Gallon
026350	8 oz. with Pump

### Deep-Tissue Massage Lotion

- Non-greasy texture for minimum glide and maximum friction.

	Description
026325	One Gallon
026326	1/2 Gallon
026327	8 oz.

### Dual Purpose Massage Crème

- Arnica and Ivy Extracts help circulation and heal bruising.
- Gentle drag, excellent versatility, and features of oil and lotion.

	Description
026310	One Gallon
026311	1/2 Gallon
026312	7 oz.
026323	14 oz.

**026339**

Requires less reapplications than typical lotions so you can keep a smooth flow to your session. Offers higher friction and less glide than oil, yet it won't absorb as fully or as fast as lotions. Perfect for longer massage sessions.

**026330**

**026348**

**026325**

For deep-tissue, stimulating and neuromuscular massage techniques. Gives you complete control without the drag or tackiness that can limit workability.

**026310**

Combines the features of an oil and lotion in one, leaving skin soft and moisturized with no greasy feel.

**022136**

Contains Roman Chamomile to cal, English Lavender to heal, Clover Blossom to help ease skin disorders and Blue Malva to moisturize very dry skin.

**022135**

Combines skin healthy, vitamin-rich ingredients to create a rich, luxurious crème that goes beyond basic moisturizing.

**026301**

Contains Vitamin E, a skin revitalizer proved to help improve skin texture, softness and firmness.

### Herbal Select Massage Products, Body Therapy

- Satiny texture is non-greasy and penetrates quickly to moisturize and condition the skin while assuring an easy glide and consistent workability.
- Contains intensive hydrating Sea Kelp and Aloe Vera plus fragrant, soothing botanicals to melt away stress.

	Description
022136	One Gallon

### Herbal Select Massage Products, Foot Therapy

- Satiny texture is non-greasy and penetrates quickly to moisturize and condition the skin while assuring an easy glide and consistent workability.
- Botanicals of cooling Peppermint eases burning, Rosemary stimulates circulation, Bay Laurel helps inhibit bacteria and Lemon Peel add healing comfort.

	Description
022137	32 oz. with Pump

### Nutri-Naturals Massage Crème

- Provides ideal glide that leaves skin smooth and nourished.
- Blended with deep-moisturizing avocado oil, vitamin fortified carrot oil (Beta Carotene/Vitamin A), wheat germ oil (Vitamin E), Vitamin C, health sunflower oil, and healing Jojoba Oil.
- Perfect for full body massage.

	Description
022135	One Gallon

### Revitalizing Massage Oil

- Ideally suited to a wide range of massage techniques.
- Vegetable derived water dispersant helps minimize staining of linens.

	Description
026301	One Gallon
026302	1/2 Gallon
026303	8 oz.

020278	4" x 5 Yd. Roll; Tan; (18) Rolls/Case

### Conforming Gauze Bandage

– Soft and highly absorbent, low-lint bandages conform to body parts, allowing for some movement and soft-tissue swelling.

#### Non-Sterile Description

020346	1" x 5 Yds.; (24) Bandages/Bag
020347	2" x 5 Yds.; (12) Bandages/Bag
020348	3" x 5 Yds.; (12) Bandages/Bag
020373	4" x 5 Yds.; (12) Bandages/Bag

#### Sterile

020349	1" x 5 Yds.; (12) Bandages/Box
020350	2" x 5 Yds.; (12) Bandages/Box
020351	3" x 5 Yds.; (12) Bandages/Box
020374	4" x 5 Yds.; (12) Bandages/Bag

#### 020285

Use to secure, protect, compress and support.

#### 020276

Thin, Lightweight and porous wrap that provides even pressure to control finger and hand edema, strains, sprains and injuries.

#### 020277

#### 020346

Stays securely in place with minimal taping. Secures primary dressings, I.V.s and splints, and provides mild compression and support.

#### 020340

12-ply sponges that are ideal for use in wound cleaning or as a dressing.

### Gauze Sponges

#### Non-Sterile Description

020340	2" x 2"; 12 Ply; (200) Sponges/Bag
020341	3" x 3"; (200) Sponges/Bag
020342	4" x 4"; 12 Ply; (200) Sponges/Bag

020345	4" x 4"; (100) Sponges/Box

## Kendall Kerlix® Rolls

- Made of prewashed, fluff-dried 100% woven gauze with unique crinkle-weave pattern for loft and bulk to cushion and protect wound areas.

Sterile	Description
020375	2.25" x 3 Yd. Roll
020377	4.5" x 4 Yd. Roll

## Elastomull®

- Precision fit lasts in areas of constant movement (elbows and knees).

Non-Sterile	Description
020327	1" x 4 Yd. Roll; (24) Rolls/Box
020328	2" x 4 Yd. Roll; (12) Rolls/Box
020329	3" x 4 Yd. Roll; (12) Rolls/Box
020330	4" x 4 Yd. Roll; (12) Rolls/Box
020331	6" x 4 Yd. Roll; (6) Rolls/Box

## Artiflex®

- Non-woven padding bandage.

	Description
020640	10cm x 3m; (30) Rolls/Box
020641	15cm x 3m; (20) Rolls/Box

## Comprilan®

- Provides gradient compression for treatment of venous ulcers, venous insufficiencies and lymphedema.

	Description
020324	6cm x 5m Roll; (1) Roll/Box
020325	8cm x 5m Roll; (1) Roll/Box
020362	10cm x 5m Roll; (1) Roll/Box
020363	12cm x 5m Roll; (1) Roll/Box

**020327**  
100% Cotton. Soft and absorbent; virtually lint free. The flexible, stretchable comfortable bandage that stays where you put it!

## Gelocast®

- Provides gradient compression therapy for the management of venous ulcers, venous insufficiencies as well as minor orthopedic problems.

	Description
020322	3" x 10 Yd. Roll
020323	4" x 10 Yd. Roll

## Scar Rx™

- Massage with the Skin Sational™ to prevent adhesions, improve mobility and aid the healing process
- Scar Rx contains everything for clinical or at home scar care programs.
- For use on healed scars. Do not use on open wounds.

	Description
020676	Scar Management Kit

**020375**  
Provides fast wicking action, superior aeration and excellent absorbing. 6-ply construction with finished edges reduces loose ends and lint.

**020640**

**020324**  
100% cotton; ends sealed with latex to prevent unraveling.

**020322**

**020323**

**020676**  
The complete kit for softer, less noticeable scars.

Refined zinc oxide/calamine formulation helps promote healing of ulcerated or irritated skin.

080003b

080003

Medical grade silicone gel sheeting for scar management; softens and reduces the appearance of scars.

020267

Use for covering hypertrophic and keloid scars as a means of reducing the size and erythema of scars resulting from burns, trauma and surgery.

020318

020320

Multipurpose wooden tongue depressors.

020308

Fits right or left hand.

020312

Gloves are washed inside and out to eliminate powder.

020302

Can be used as a precaution against contamination and diseases.

## WOUND CARE (CONT)

### Gel Mate Silicone Gel

- Easy-to-apply self-adherent gel stays in place without tape or wraps.
- Ideal for Keloid or Hypertrophic scars resulting from surgery, injury or burns.
- Silky cloth cover prevents clothing from sticking.
- Trim to desired size or shape. Washable and reusable.
- For use on healed scars. Do not use on open wounds.

	Description
020674	4" x 6" Gel Sheet
020675	2.5" x 5" Gel Sheet

### Cica-Care® Silicon Gel Sheets

	Description
020268	4.75" x 6" Sheet; (10) Sheets/Box

### Latex Exam Gloves Powdered

Non-Sterile	Description
020308	Small; (100) Gloves/Box
020309	Medium; (100) Gloves/Box
020310	Large; (100) Gloves/Box

### Latex Exam Gloves Powder-Free

- Ideal for caregivers with sensitive skin. (100 per box)
- Helps protect against disease and contamination.

	Description
020312	Small; (100) Gloves/Box
020313	Medium; (100) Gloves/Box
020314	Large; (100) Gloves/Box

### Vinyl Exam Gloves Powdered

Non-Sterile	Description
020302	Small; (100) Gloves/Box
020303	Medium; (100) Gloves/Box
020304	Large; (100) Gloves/Box

## Vinyl Exam Gloves Powder-Free

- Ideal for caregivers with sensitive skin. (100 per box)

### Non-Sterile Description

020305	Small; (100) Gloves/Box
020306	Medium; (100) Gloves/Box
020307	Large; (100) Gloves/Box

## Sterile Latex Exam Gloves

- Rolled bead adds strength to cuff during donning, holds glove securely to wrist.

### Description

020316S	Small; (50) Pairs/Box
020316M	Medium; (50) Pairs/Box
020316L	Large; (50) Pairs/Box

## Sharps Container

- Locks permanently once rotor opening is closed.

### Description

020367	1 Quart Container
020582	1 Gallon Container
020583	2 Gallon Container

## Debridement Kit

### Description

020358	Debridement Kit
--------	-----------------

## Staple Removal Kit

### Description

020845	Staple Removal kit
--------	--------------------

## Suture Removal Kit

### Description

020372	Suture Removal Kit (Plastic)
020843	Metal Suture Removal Kit

020305

020316

Sterile gloves with excellent sensitivity and tactile perception.

020367

Highly-visible, red plastic container for safe disposal of contaminated sharps.

020358

Debridement Kit is designed for single use.

020845

020372

Suture Removal Kit contains a pair of straight scissors, (1) forcep, (1) 3" x 3" gauze pad and a SCR Wrap.

## DISINFECTANTS/CLEANERS

### Cavicide®

- An intermediate-level disinfectant which is effective against TB, HBV, viruses, bacteria and fungi.
- 3-in-1 surface disinfectant, decontaminant and cleaner.

	Description
026523	One Gallon
026524	24 oz. Spray Bottle

### Citrace® Hospital Germicide

- Reacts with, and destroys odors in the air and at their source by killing germs that cause odor.

	Description
026525	14 oz. Spray

### Citrus II Germicidal Deodorizing Cleaner

- Cleans and disinfects.
- Fresh citrus fragrance.

	Description
026532	22 oz. Spray
026533	1 Gallon Refill Bottle

### Precise®

- Unique, non-corrosive cleaner disinfectant that is ideal for hard-to-reach surfaces; safe for any surface.
- For thorough cleaning and disinfecting of all types of environmental surfaces and medical equipment.

Foam	Description
026528	Foam; 20 oz. Spray

### Precise® QTB

- Unique, low-toxicity liquid cleaner disinfectant.
- For thorough cleaning and disinfecting on hard, non-porous environmental surfaces.

Liquid	Description
026536	Liquid; 32 oz. Spray

### Sani-Cloth® HB Wipes

- Effective against HIV and TB, contains no alcohol, and safe for vinyl fabric.
- Pre-moistened and pre-measured for convenience.

	Description
020371	6" x 6.75" Wipe (160) Wipes/Container

### Sani-Cloth® Plus Wipes

- Disinfects environmental surfaces.

	Description
020370	6" x 6.75" Wipe; (160) Wipes/Container

### Sani-Dex® Antimicrobial Hand Wipes

- Minimize cross contamination while helping to prevent dry skin problems associated with excessive washing and gels.

	Description
026575	6" x 7.5" Wipe (135) Wipes/Container

**026532**  
Ready-to-use formula that disinfects, cleans and deodorizes without the use of toxic chemicals such as phenols, glutaraldehydes and harsh alcohols.

**026528**  
Cleans and disinfects in one step; no precleaning required; rarely needs rinsing.

**026526**  
Cleans and disinfects in one step; no precleaning required; rarely needs rinsing.

**020371**  
Disinfects environmental surfaces.

**026523**  
Safe for all areas of the facility and on non-porous surfaces.

**026525**  
Fresh citrus scent provides instant odor relief and disappears after 10 minutes.

**020370**  
Contains 15% alcohol, pre-moistened and pre-measured for convenience.

**USE 026575**  
Formulated with aloe vera and pre-saturated with the antimicrobial surgical scrub PCMX and alcohol.

021917

021919

021922

020204

Pillowcases are quality spunbond material, sewn seams and fluid resistant.

020630

Capes offer comfort and absorbency.

020200

The ultimate in chiropractic and massage therapy patient protection.

## INFECTION CONTROL

### mPact™ Antimicrobials

- More effective than chemical leaching cleaner disinfectants
- Completely environmentally friendly
- Safe to use on all surfaces

	Description
021917	mPact Multipurpose - 1 gallon
021918	mPact Multipurpose - 5 gallon
021919	mPact Towel & Fabric - 1 gallon (lasts 30 washings)
021920	mPact Towel & Fabric - 5 gallon (lasts 30 washings)
021921	mPerial detergent/denfectant - 12 (32 oz) Spray Bottles
021922	mPerial detergent/denfectant - 1 gallon
021923	mPerial detergent/denfectant - 5 gallon

## PAPER PRODUCTS

### Capes

- Reversible front/back opening.

T/P/T	Description
020630	30" x 21"; White; (100) Capes/Case

### Chiropractic Headrest Rolls/Sheets

- High quality medical grade papers, fits a variety of table styles and preferences.

Crepe Headrest Rolls	Description
020215	8.5" x 125' Roll; (25) Rolls/Case
Smooth 12" x 12" Headrest Sheets	
020202	Without Face Slot; (1,000) Sheets/Box
020203	With Face Slot; (1,000) Sheets/Box

Smooth Headrest Rolls	
020200	8.5" x 225' Roll; (25) Rolls/Case
020201	12.5" x 225' Roll; (12) Rolls/Case

### Disposable Pillowcases

21" x 30"; White	Description
020204	Non-woven; (100) Pillowcases/Case
020205	Tissue/Poly; (100) Pillowcases/Case

## PAPER PRODUCTS (CON'T)

### Exam Drapes

#### 2-Ply Tissue Description

020631 White; 40" x 60"; (100) Drapes/Box

#### 2-Ply Tissue

020216 White; 40" x 48"; (100) Drapes/Box

### Exam Gowns

— Reversible front/back opening.

#### 3-Ply Tissue Description

020210 30" x 42"; White; (50) Gowns/Case

020219 XL; 32" x 42"; Blue; (50) Gowns/Case

#### T/P/T

020626 30" x 42"; White; (50) Gowns/Case

### Exam Shorts

— Dark blue nonwoven provides modest coverage.

#### Description

020266 Medium; (100) Shorts/Case

020263 Large; (100) Shorts/Case

020264 Extra large; (100) Shorts/Case

**020216**

Ideal for procedures where patient or equipment draping is required.

**020210**

Excellent for exams and routine office procedures.

**022138**

Soft, disposable covers that offer the comfort of fabric, with sanitary, throw-away ease.

### Exam Table Paper Rolls

#### Crepe Paper Description

020208 18" x 125' Roll; (12) Rolls/Case

020209 21" x 125' Roll; (12) Rolls/Case

020271 24" x 125' Roll; (12) Rolls/Case

#### Smooth Paper

020206 18" x 225' Roll; (12) Rolls/Case

020207 21" x 225' Roll; (12) Rolls/Case

020272 24" x 125' Roll; (12) Rolls/Case

### Face Favors

- Protect face cradles from makeup and facial oils.
- Fits all cradles.

#### Description

022138 (100) Covers/Pack

**020263**

Roominess that allows full range of motion. Latex-free waist band.

**020266**

**020206**

Medical use paper provides the finest protection for patients.

## CLOTH PRODUCTS

### Cloth Patient Gowns

	Description
020193	Back Tie Cloth Gown; (12) Gowns/Case

### Sheets, Pillowcases and Draw Sheets

White	Description
020196	Twin Flat; (12) Sheets/Case
020197	Twin Fitted; 36" x 80" x 9" (12) Sheets/Case
020229	Pillowcase; Standard (12) Pillowcases/Case
020230	Draw Sheet; Muslin White; 54" x 81"; (12) Sheets/Case
020265	Zippered Pillowcase Covers; Vinyl Standard

### Soft Surechek Pillow

	Description
020269	21" x 27" Pillow

### Towels

- Bright white, super soft and extra absorbent 100% terry cotton towels.

	Description
020194	Bath Towel; (1) Dozen Towels/Case 20"x40"
020223	Hand Towel; (1) Dozen Towels/Case
020226	Wash Cloth; (1) Dozen Cloths/Case

## EMERGENCY

### Philips HeartStart On Site

- 5 year manufacturer warranty.
- Clear Voice instructions.
- Philips Onsite Long Life 4 year Lithium Battery.
- Philips Demonstrator Device CD and User's Manual.
- Cpr and AED Rescue Kit Scissors.

	Description
021259	AED Defibrillator

### Medtronic LIFEPAK

- 8 Year Warranty, one of the highest in the industry.
- Includes two sets of Quick-Pak electrodes.
- Clear Voice instructions.
- One lithium Ion battery charge pak.
- Rugged AED carry case.
- Semi and fully automatic options.

	Description
023782	LIFEPAK CR Plus AED Defibrillator

### AED Wall Cabinet with Alarm

- AED Storage and Emergency Awareness with Alarm.
- Fits all AED Model sizes.
- Made of sturdy metal construction to protect and display your AED.
- Door-activated audible alarm alerts everyone the AED has been deployed.

	Description
023783	Aed Wall Cabinet with Alarm

**020193**  
Back Tie Cloth Gown

**020196**

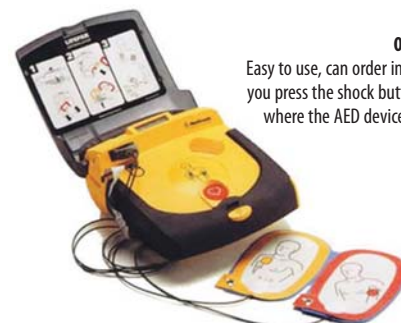

**020269**  
Simplified maintenance, antibacterial and self-deodorizing, flame resistant, antistatic and non-absorbent.

**020194**

**021259**  
Life-Saving AED Defibrillator.

**023782**  
Easy to use, can order in semi-automatic mode where you press the shock button or fully-automatic version where the AED device delivers the shock for you.

## ELECTRODES

### Gentle Stim® Control Electrodes - Foam Backed

- Cutting edge, patented current controlled technology delivers stimulation comfort.
- Provides a safe and optimized electrical stimulation.
- The same contraction or fasciculation can be achieved using less power than needed for conventional electrodes.

Oval	Description
024197	1.5" x 2.5"; (4) Electrodes/Pkg.
024097Z	1.5" x 2.5"; (4) Electrodes/Pkg.; (10) Pkg./Case

**024189**

Reusable, self-adhesive, foam backed electrodes are ideal for electrotherapy.

**024189d**

Reusable, self-adhesive, foam backed electrodes are ideal for electrotherapy. The border around the printed pattern allows for an intentional current drop off resulting in stimulation comfort.

**024189e.eps**

A patented conductive printed grid pattern assures a uniform current dispersion over the surface of the electrode.

### Gentle Stim® Select

- A quality value packed electrode
- Available in a variety of sizes
- Multiple usage
- Use for tens as well as professional electrotherapy devices

## Signal Spray® Electrode Spray and Skin Prep

- Highly conductive, economical spray electrolyte and non-gritty skin prep.

### Description

022024	One Gallon
022038	8.5 oz. Bottle
022039	Case of (12); 8.5 oz. Bottles

## Transeptic® Cleansing Solution

- Multi-purpose spray for professional use in cleansing ultrasound transducer/probe surfaces between procedures.

### Description

070360	8.5 oz. Bottle
--------	----------------

## UltraStim Garment & Pad Electrode System

- Convenient, One-Person Home Application
- Garment configured so electrodes easily lift from skin and remain on garment.
- Kits Include Garment, Electrodes, and Snap Adaptors

### Description

024103	S/M Back Garment (waist 25"-42")
024104	XL Back Garment Kit (waist 40"-54")
024105	2" x 2" UltraStim 4 Pack Electrodes
024106	Black Snap Adapter 4 Pack

## BioKnit® Conductive Garments

- The conductive fabric properties of the BioKnit conductive garments and pads take the place of traditional adhesive electrodes when used in conjunction with an electrical stimulation device such as TENS or HVPS.

### Description

031225	BioKnit® Sports Shoulder Brace
031226	BioKnit® Knee Brace

## IONTOPHORESIS ELECTRODES

### Gentle Stim® Ionto

- Iontophoresis Electrode Treatment Kit
- 1-Active Drug Delivery Electrode
- 1-Buffered Return Electrode
- 2-Alcohol Swabs

	Description
031059	Small Square 1.5cc
031060	Medium Square 2.5cc
031061	Large Square 4.0cc
031062	Butterfly 2.0cc

### logel™ Iontophoresis Electrodes

- logels® Disposable Electrodes.
- Elliptical Shapes follows the line of the tendon.
- Clear Adhesive allows precise placement on target site.
- Silver- Silver Chloride conducts more efficiently than carbon.
- GelSponge® ensures complete contact between the electrodes and the skin surface.
- 12 treatments per box.

	Description
026509	Small; 1/5 cc Fill; (12)/Box
026510	Medium; 2.5 cc Fill; (12)/Box
026511	Large; 3.5 cc Fill; (12)/Box

### TransQ™ Flex Electrodes

- Unique cloverleaf shape offers the conformity, patient comfort, and optimal drug delivery required by therapists.
- Features GelSponge and Silver-Silver Chloride (SSC) Conductive Technology and “EZ Fill” Window.
- Each individually sealed package includes (1) electrode, (1) large dispersive pad and (1) alcohol wipe.

	Description
030083	(12) Electrode Packages/Box

### TransQe™ Iontophoresis Electrodes

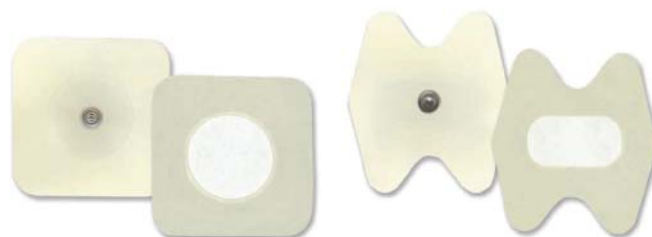

- No Chemical buffers necessary.
- Improve your drug delivery efficiency.
- Convenient peel-away window provides for easy-fill, no-stick handling.

	Description
026507	Small; 1.5 to 2.0 cc Fill; (12)/Box
026508	Medium; 2.5 to 3.0 cc Fill; (12)/Box

026509

026510

026511

Features GelSponge™ and Silver-Silver Chloride(SSC™) Conductive Technology

030083

Unique cloverleaf shape offers the conformity, patient comfort and optimal drug delivery required by therapists.

026507

026508

Deliver effective results in as few as (3) treatments.

030086

030087

030088

Creates uniform current distribution for greater patient comfort while containing the drug from leaking.

030111

A non-toxic, local anesthetic gel for use in relief of itching, pain, soreness and for its anti-inflammatory properties. May be used in conjunction with ultrasound (phonophoresis) or iontransfer (iontophoresis).

030089

High tech design conforms well to treatment areas and fits comfortable beneath clothing.

## Iomed Optima™

- pH defined electrode adjusts to ideal target to optimize transport.
- pH buffering agent maintains ideal pH.
- Oval shape conforms to a wide variety of treatment sites.
- Adhesive foam stretches and adheres well when under stress.

### Description

030086	Small; 1.5 cc Fill; (12)/Box
030087	Medium; 2.0 cc Fill; (12)/Box
030088	Large; 3.0 cc Fill; (12)/Box

## Bio-Dermal™

- Apply pain relieving ingredients to hydrogel pad and place directly to the skin for fast, transdermal pain relief.
- Roll-on application allows the clinician to custom-modify the patient's treatment plan for the most effective pain relief utilizing transdermal hydrogel pads.

### Description

030074	Bio-Dermal™ Hydrogel Kit
030075	(10) 3" x 5" Hydrogel Pads
030076	2 oz. Roll-On; 1% Hydrocortisone
030112	Tape Pads
030113	2 oz. Roll-On; 4% Lidocaine
030114	2 oz. Roll-On; 15% Methyl Salicylate
030313	8 oz. Bottle; 1% Hydrocortisone

## Lido-Gel™ 4% Topical Lidocaine Hydrogel

### Description

030111	2 oz. squeeze top bottle
030311	4 oz. squeeze top bottle

030074

Kit includes: 1 each of: 2 oz. roll-top applicator bottle of 1% Hydrocortisone, 4% Lidocaine and 15% Methyl Salicylate; 10 - 3" x 5" hydrogel pads, 10 - 4" x 6" adhesive hydrogel coverings and instructions.

Ideal for broader application and treatment protocols including phonophoresis and iontophoresis.

1% Hydrocortisone formulated for high acoustic transmission and superior coupling in therapeutic ultrasound.

026503

## WIRELESS IONTOPHORESIS

### IontoPatch® 80

#### Description

026501	80mA-min - w/ (6) Saline Vials

# iontoPatch®

Electronic Transdermal Iontophoretic Drug Delivery System

The original iontophoretic patch. Iontophoresis with the battery built in!

## The IontoPatch® Family of Products

\*Study data on file.

### IontoPatch® 80

Treats most areas, including elbows, knees, wrists, feet and shoulders. 14-hour average patient wear time.\*

### IontoPatch<sup>STAT</sup>®

The same Iontopatch 80 benefits in shorter 4-hour average patient wear time.\*  
Treats most areas, including feet, elbows, knees, wrists, and shoulders.

### IontoPatch® SP

Treats smaller areas, including fingers and Achilles tendon. 14-hour average patient wear time.\*

Natural skin permeation.

No charging station or controller required.

Wrappable, compressible, weight bearing.

- The **Original** Iontophoretic Patch proven by experience:
  - over 5.0 million administered.
  - supported by peer-reviewed published studies.
- Family of three products to treat large & small areas, and a shorter wear time
- Extended time-released iontophoresis
- More cost-effective & less time consuming
- More drug delivered & remains localized
- More patients improve faster

Item No.	Product Description	
026501	Original (6) IontoPatch® 80 (80mA-min w/ (6) saline vials)	Box of 6
026502	(6) IontoPatch® SP (40mA-min) w/ (6) saline vials	Box of 6
026503	(6) IontoPatch STAT® (80mA-min) w/ (6) saline vials	Box of 6

IontoPatch® is an extended time-released electronic transdermal drug delivery system. An innovative, self-contained battery produces an electric current to carry drug molecules non-invasively across the skin and to underlying tissue. Drug delivery is shut off automatically when the prescribed dosage has been administered. The IontoPatch is single-use and disposable.

See the link to the IontoPatch Application Instruction Video located at the IontoPatch website at [www.iontopatch.com](http://www.iontopatch.com)

**023241**

A straight 4-pin DIN plug connector to (4) .08" pins.

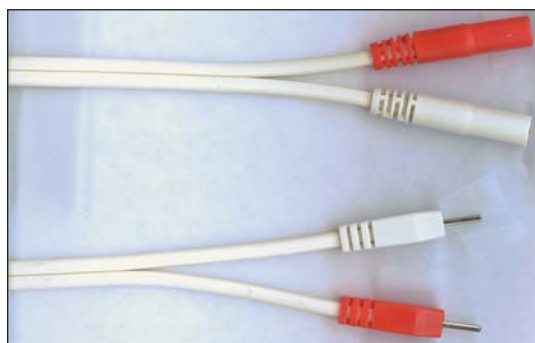

**023369**

A lead wire adaptor that converts a .08" pin to a 4mm banana.

**023268**

Right Angle 3-pin DIN plug connector to dual .08" pins.

**023234**

Dual sheathed banana plugs to dual pin.  
Dual sheathed banana plugs to dual pin tips.

**023368**

Right angle female socket to dual pins.

## FDA COMPLIANT LEAD WIRES

### Combo Lead Wires

72" Lead Wire	Description
023248	Straight Black Phone Plug to Black Pins; for Dynatronics Units Only
023259	Straight Black Phono Plug to Black Pins; For Excel Units Only
023265	Black DIN Plug to Black Pins

### Dual Channel 4-Pin DIN to 4 Pins

– Compatible with Chattanooga™ 2 or 4 channel equipment, CPS and Legend Series.

120" Lead Wire	Description
023241	Red/Black; Channel 1 and 2
023242	Red/Black; Channel 3 and 4

### Dual Sheathed Banana to Dual Pins

– Compatible with current Rich-Mar and Amrex Equipment

120" Lead Wire	Description
023234	Ivory Lead Wire; White
023267	Ivory Lead Wire; Red
72" Lead Wire	
023251	Ivory Lead Wire; Red/Blk to Red/Blk
023252	Grey Lead Wire; Red/Blk to Red/Blk

### Mettler Electronics Right Angle DIN to Pins

– Compatible with current Mettler equipment.

120" Lead Wire	Description
023250	Black DIN Plug to Red/Black Pins
72" Lead Wire	
023236	Black DIN Plug to Red/Black Pins

### PIN to Banana Converter

– For use on patient end of lead wire cable.

	Description
023369	Pin to Banana Converter; Red
023370	Pin to Banana Converter; Black

### Right Angle DIN to Pins

– Compatible with equipment fitted with the Stereo/Mono to 3 pin DIN adaptor.

120" Lead Wire	Description
023270	Red DIN Plug to Red Pins
023271	Black DIN Plug to Black Pins
72" Lead Wire	
023268	Red DIN Plug to Red Pins
023269	Black DIN Plug to Black Pins

### Right Angle Female TENS Lead Wire

– Compatible with most stimulator models Arista 2000™, Century 2100™, Century 240™, TENS 2500™, TENS 6000™, EMS 5000™, EMS 5000™, EMS 6500™, Micro 850™, TENS 3000™, ProTENS™, Procure™ and various others.

36" Lead Wire	Description
023368	(1) Pair; Black Socket to Red/Black Pins

**023257**

Nickel plated right angle 1/4" stereo plug (non-conductive tip) to dual .08" pins.

**023360**

A straight .04" (4) socket connector to dual .08" pins.

**023243**

Maintains the versatility and ruggedness of the old stereo phono plug wire.

**023261**

Straight 3-pin DIN plug connector to dual .08" pins.

**023253**

Nickel plated straight 1/4" stereo plug (non-conductive tip) to dual .08" pins.

## FDA COMPLIANT LEAD WIRES (CON'T)

### Right Angle Phono Plug to Pins

- Compatible with current production Excel equipment as well as the stereo and mono solution adaptors.

72" Lead Wire	Description
023258	Black Phono Plug to Black Pins

### 72" Lead Wires

023257	Red Phono Plug to Red Pins
--------	----------------------------

### Single Channel Sockets to Dual Pins

- A straight .04" (4) socket connector to dual .08" pins.
- Black cable for channels 1 and 3, gray cable for channels 2 and 4. Black sockets with red and black pins.
- Compatible with current Chattanooga™ models Genesis, XT, and Transport.

120" Lead Wire	Description
023360	Black Wire for Channel 1
023361	Grey Wire for Channel 2
023362	Black Wire for Channel 3
023363	Gray Wire for Channel 4

### 72" Lead Wire

023364	Black Wire for Channel 1
023365	Grey Wire for Channel 2
023366	Black Wire for Channel 3
023367	Gray Wire for Channel 4

### The Stereo Solution Adaptor

- Unique adaptor easily converts an "old style" 1/4 stereo jack for use with a new FDA compliant 1/4" stereo plug (straight or right angle).
- Compatible with most older units that used a non-compliant 1/4" stereo plug.

Description
023243 Stereo Adaptor; Black

### Straight DIN to Pins

- Compatible with equipment fitted with the Stereo/Mono to 3 pin DIN adaptor.

120" Lead Wire	Description
023264	Black DIN Plug to Black Pins

### 120" Lead Wires

023263	Red DIN Plug to Red Pins
--------	--------------------------

### 72" Lead Wire

023261	Red DIN Plug to Red Pins
023262	Black DIN Plug to Black Pins

### Straight Phono Plug to Pins

- Compatible with current production Dynatronics™ and Excel equipment as well as the stereo and mono solution adaptors.

120" Lead Wires	Description
023255	Red Phono Plug to Red Pins
023256	Black Phono Plug to Black Pins

--------	-----------------------------------

# MOjility<sup>TM</sup> agent

## MOjility Agent – Torex Premium Professional Cold Therapy Packs

Torex Flat Style professional cold packs offer the same premium medical grade materials as our radial sleeves. They stay ultra soft when chilled allowing toreX to comfortably mold to the body for a more effective treatment. Designed for clinical use without breakage or leaking, toreX is a superior choice for the rehab professional.

- Does not freeze solid—stays flexible
- Soft touch construction
- Re-useable and long lasting
- Non-toxic and latex-free

## MOjility Agent – Torex Premium Cold Therapy Roll-On Sleeves

Torex premium cold therapy sleeves gently roll on, completely surrounding the limb while staying in place hands free. The 360-degree coverage treats the entire circumference of the injured area delivering therapeutic cold deep into soft tissues where it is needed most. Our premium medical grade materials stay ultra soft when chilled allowing toreX to mold to hard-to-treat limbs.

- Surrounds completely for maximum treatment
- Does not freeze solid—stays flexible
- Patented strapless roll-on design
- Re-useable and long lasting
- Glides easily over limb
- Non-toxic and latex-free

### Power Web®

- #1 all-in-one finger, hand, wrist, forearm and ankle exerciser.
- 14" in diameter and weighs 16 oz.
- Unique design allows a variety of exercises to be performed comfortably and effectively.
- Illustrated manual included (with 30 exercises.)
- Contains dried natural rubber - not latex!

#### Description

022520	Ultra Light; Tan
022521	Light; Yellow
022522	Medium; Red
022523	Heavy; Green
022524	Super Heavy; Blue
022525	Ultra Heavy; Black

#### Latex Free

022529	Medium; Orange
--------	----------------

### Power Web®, Jr.

- #1 all-in one finger, hand wrist exerciser.
- 7" in diameter and weighs 8 oz. Just half the size of the original Power-Web®.
- Delivers many of the same benefits when used in hand and wrist rehabilitation exercise programs.
- Illustrated manual included.
- Contains dried natural rubber - not latex.

#### Description

022526	Light, Yellow
022527	Medium; Red
022528	Heavy; Green

#### Latex Free

022530	Medium; Orange
--------	----------------

020598

Achieve infinite levels of progressive resistance using only one putty. As grip strength increases, work the pliable chips into the base putty to increase the putty's resistance.

020696

Combine heat therapy and resistance exercise in one with warm, pliable putty.

022520

The rubber webbing of each exerciser offers varying degrees of resistance and elasticity to improve strength and range of motion. For everything from on finger to both hands. The Power Web, Jr. is great for smaller hands.

## Power Web® Combo

- #1 all-in-one finger, hand, wrist, forearm and ankle exerciser.
- Features a unique advantage of (2) resistance levels in one, offering greater flexibility and value.
- Identical in size and weight as the original Power-Web® with the same high quality construction and materials.
- Illustrated manual included (with 39 exercises)
- Patented Design
- Contains dried natural rubber - no latex.

### Description

020518	Heavy and Ultra Heavy; Green and Black
020519	Ultralight and Medium; Tan and Red
022531	Light and Heavy; Yellow and Green
022532	Medium and Super Heavy; Red and Blue

## Thera-Band® Hand Exerciser

### Description

020130	Yellow; Extra Soft
020131	Red; Soft
020132	Green; Medium
020133	Blue; Firm
020134	Black; Extra Firm

## Thera-Band® Hand Exerciser XL

### Description

020135	Red; Soft
020136	Green; Medium
020137	Blue; Firm
020138	Black; Extra Firm

## Thera-Band® Hand Xtrainer

- Intuitive design with built-in recovery allows for optimal form making it a perfect tool for home exercise.
- Easy to clean between patients for in-clinic use.
- The patented formula supports hot and cold therapy.
- Latex free.
- Applications ranging from rehab to stretching and strength training.

### Description

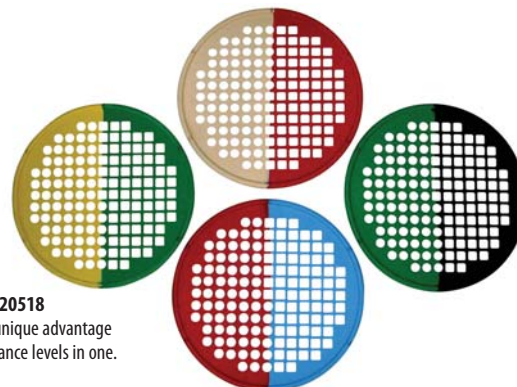

022932	Red Beginner
022933	Green Intermediate
022934	Blue Advanced
022935	Black Advanced Sport Training
022936	Full set of 4 resistance

## Cando® Gel Ball Hand Exercisers

- Use to increase grip strength, dexterity, mobility and fine and gross motor skills.

### Standard Size Description

020600	Tan; XX-Light
020601	Yellow; X-Light
020602	Red; Light
020603	Green; Medium
020604	Blue; Heavy
020605	Black; X-Heavy
020606	Set of Six (1 ea. T,Y,R,G,B,Blk.)

**020518**

Features a unique advantage of two resistance levels in one.

**020135**

Oval-shaped exerciser for larger hands provides almost twice as much material as the original hand exerciser.

**020130**

Used for post-surgical hand rehab as well as hand, finger and forearm strengthening.

**022932**

**022936**

The Hand Xtrainer is the ultimate hand therapy tool available in four progressive densities.

**020600**

Can be used hot (microwavable) or cold.

## HAND AND WRIST EXERCISE DEVICES (CON'T)

## EXERCISE BALLS

### Thera-Band® Exercise Balls

- Increase range of motion, strength and as well as active stretching, active exercise and aerobics
- Comes with two plugs and inflation adapter along with the Thera-band exercise ball guide poster.
- Latex Free

Boxed	Color	Diameter	Patient Height
020050	Yellow	18" (45cm)	60" and Under
020051	Red	22" (55cm)	60" to 66"
020052	Green	26" (65cm)	67" to 74"
020053	Blue	30" (75cm)	75" to 78"

#### Polybagged

020873	yellow	18" (45cm)	60" and under
020703	Red	22" (55cm)	60" to 66"
020704	Green	26" (65cm)	67" to 74"
020705	Blue	30" (75cm)	75" to 78"
020874	silver	34" (85cm)	79" and above

### Thera-Band® Pro Series SCP® Exercise Ball

- Increase range of motion, strength and endurance as well as active stretching, active exercise and aerobics.
- The Thera-Band® Pro Series SCP® exercise ball creates an exciting new category of premium balls that surpass the performance of previous standard and burst resistant balls. This specially designed professional exercise ball combines: (1) SECURITY: feel more secure with the slow deflate protection of PRO SERIES SCP Ball (2) COMFORT: feel better while you train because PRO SERIES SCP provides superior comfort at body contact points without excessive softness that impedes support (3) PERFORMANCE: train more effectively because PRO SERIES SCP's unique design provides a more responsive surface for consistent results with each exercise.
- Includes instructional poster with 24 exercises, plug pack, inflation measuring tape.
- Latex Free

Boxed	Color	Diameter	Patient Height

## FitBALL® Premium Exercise Balls

- FitBALL® Exercise Ball (Retail box) includes ball and poster.
- The #1 recommended burst-resistant exercise ball is the perfect solution for both professional and home use.
- Trusted by physical therapists and personal trainers throughout the US and Canada.
- Absolutely round and independently tested to weight bearing capacity of 2,250 lbs.
- Our premium FitBALL® is made of our proprietary latex-free material.
- Burst-resistant balls are not warranted against punctures, but are designed to help protect against a rapid deflation should the ball be punctured.

Boxed	Description

## Uni-Band™ Exercise Band

- Latex-Free
- Powder and Odor free
- available in five resistance colors
- Non slip surface for better grip
- engineered for consistent tension and evenly spaced resistance levels.
- Buoyant and resistant to swimming pool chemicals, excellent for aquatic therapy
- UV, sunlight and most infection control products resistant
- convenient dispenser system
- width of band 100mm, optimal size for grasping without excessive bunching of the band in users hands.

### Description

041652	Peach Level 1 50yds
041653	Orange Level 2 50yds
041654	Green Level 3 50yds
041655	Blue Level 4 50yds
041656	Plum Level 5 50yds

020780

020150

Ideal for group sensory-motor activities.  
Provide graded resistance for strengthening exercises,  
proprioceptive stimulation and positioning.

041652

Made with an elastomeric compound, they are 100% latex free while retaining the dynamic stretch properties of latex preferred by most therapist.

## EXERCISE BAND LOOPS

### Thera-Band® Resistance Band Loops

- Introducing the first band loop to contain the Thera-Band® logo and brand recognition.
- Contains the same pull forces and color progression as Thera-Band latex resistance bands tied into a loop. Positive reinforcement as patients progress from one color-coded level to the next.
- Endorsed by the APTA; ideal for lower extremity, shoulder, neck, core and back applications.
- Exercise manual supplied along with an extensive online database to create customized exercise program.
- (10) individually wrapped Band Loops per box.

#### Looped Bands Description

027220	6.75"	36.5"	4.5"

## IDEAL BANDSTANDS

### Tall BandStand

- Dimensions: 7" W x 40" G x 7" D.

	Description
027222	Tall Bandstand; Wood finish

**023603**

Holds up to (32) cuff weights, (22) dumbbells and includes (2) rods to store up to (6) hollow core 50 yds. band rolls.

**027195**

Can store and dispense Thera-Band® Rep™ Band and other exercise bands.

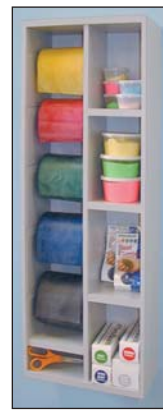

**027198**

Storage space for scissors or other cutting tools.

**027208**

Vertical Band/Tubing Rac with Almond color finish.

**027196**

Shown with (2) of the (4) removable shelf fronts.

**027197**

Open design permits visual inspection of inventory.

**027220**

Hold up to (5) 50 Yd. rolls of exercise band.

**027222**

**026555**

This flexible spine is specially designed and reinforced for heavy use.

**026554**

Allows true flexion of the gliding joint of the hand to be observed and studied.

**026553**

Portions of tibia and fibula.

**026567**

Complete pelvis, sacrum, occipital bone, vertebral artery and nerve branches.

**026557**

Skeleton Size: 5'6" tall.

**026552**

Demonstrates anteversion, retroversion and rotation.

Consists of portion of femur, tibia and portion of fibula.

Consists of portion of humerus, complete ulna and radius as well as joint ligaments.

Consists of shoulder blade, collar bone, portion of humerus and joint ligaments.

## ANATOMICAL MODELS

### Flexible Spine

- Comes with full pelvis, fully flexible mounting, L3 and L4 disc prolapse, spinal nerve exits and cervical vertebral artery.

	Description
026455	Optional Stand
026555	Spine Model

### Budget Vertebral Column

- 29" tall, life-size model that features vertebral body, spinous and transverse processes, vertebral notch and spinal canal.

	Description
026567	Spine Model with Stand

### Standard Skeleton

- This life-size articulated adult plastic skeleton is ideal for teaching the basics of anatomy.
- Stand included.

	Description
026557	Standard Skeleton with Stand

### Flexible Hand Skeleton

- Highly accurate and detailed skeletal reproduction flexibly mounted with high-tensile elastic in its natural position allows true flexion of the gliding joint of the hand to be observed and studied.

#### Description

026554	Flexible Hand Skeleton
--------	------------------------

### Flexible Foot Skeleton

## ANATOMICAL CHARTS

### Anatomical Charts

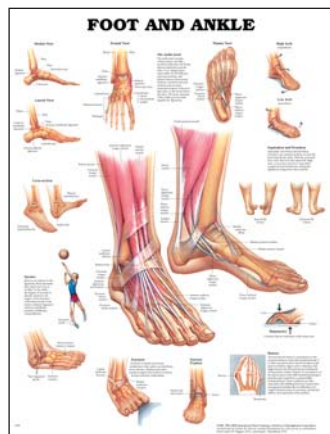

- Designed to function as reference material to help increase your knowledge about human anatomy, physiological principles and important pathological conditions.
- Medical terminology and updated supporting text are printed directly on each chart so you never have to refer to a separate key card or manual.
- Poster size: 20" x 26"
- Mounted on styrene plastic with metal eyelets in corners.
- Latex-free, UV coated.

## MANUAL THERAPY

### Kaltenborn Concept Wedge™

- durable rubber construction is comfortable for patient and helps reduce slippage
- 8" x 4 1/4" base

#### Description

022889 Original Kaltenborn Concept wedge™

### Norsk Mobilization Wedge

- 9" x 4" at its base and is ideal for in clinic or at home use
- small enough to be placed between the shoulder blades.

#### Description

022893 Original Norsk Mobilization Wedge

### Positex® Extremity Mobilization Strap

- durable woven nylon strap features a removable vinyl covered foam pad which makes it suitable for comfortable pelvic stabilization of the patient.
- 8 ft length

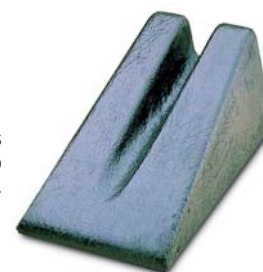

#### Description

022894 Positex® Extremity Mobilization strap™ with pad

**022889**

The wedge's molded groove relieves pressure on the spinous process, facilitating mobilization via the transverse process while mobilizing both the spine and extremities.

**022893**

Designed to accommodate the spinous process with sufficient space to facilitate palpation of movement.

**022894**

The mobilization strap features one hand length adjustment and push button release
